

PROFILE

My professional background consists of more than 20 years' experience from C-level and executive positions in companies such as COWI A/S, Elopak AS (Norwegian) and the Novo Group. I have been active on Boards of Directors for 15 years.

I am an engaged, curious, and motivating person who is used to work internationally and innovatively.

It is my ambition that the Board of Directors truly adds value, takes a long-term and holistic perspective on the challenges and opportunities of the company and acts as a motivating sparring partner for management.

I am a team player with a good ability to think and work interdisciplinary and see new opportunities.
